

## **WHEN IT IS POSSIBLE TO RENEW THE IDENTITY CARD IN A MUNICIPALITY OTHER THAN THE ONE OF RESIDENCE?**

Citizens residing in another Municipality could apply at the registry office. The Municipality will request the authorization from the Municipality of residence and it will therefore be necessary to wait for the response before proceeding with the release. It will be possible to request renewal in the Municipality where you live or are domiciled for study and work reasons.

- 1) starting from the 180th day before the deadline;
- 2) within 60 days of the actual deadline.

After this period of time, however, you will have to request the issuance of a new document.
